

RKDF UNIVERSITY, RANCHI

INSTITUTIONAL DEVELOPMENT PLAN (IDP)

2025 – 2035

(Based on NEP-2020 and UGC Guidelines)

About the University

It was in the year 2018, The founder decided to fulfil his dream of establishing an institute for quality education to the people and the region & beyond initiated “Ayushmati Education And Social Society” trust in an attempt to make the holy city of Ranchi, a recognized destination for knowledge seekers from different spheres of life and strive to become one of the best Universities in Jharkhand. This is what led to the foundation of a milestone at the karmabhoomi of the versatile and sagacious Bhagwan Birsa Munda.

RKDF group has been actively involved with social causes since its very inception and has drawn appreciation from one and all for its works in various facets of societal paradigms. The Group started its journey in 1994 by establishing 1st private engineering college at Bhopal, Madhya Pradesh. Now the group has 162 institutions & 6 universities (5 in M.P. and one in Jharkhand). The six universities and social society as established by Ayushmati Education are RKDF University, Bhopal (2011), Sri Satya Sai University of Technology & Medical Science Sehore (2014), Sarvepalli Radhakrishna University, Bhopal (2015), Dr. A.P.J. Abdul Kalam University, Indore (2016), Bhabha University, Bhopal (2018), RKDF University, Ranchi (2018)

RKDF Ranchi is a highly prestigious government recognized, established under the Jharkhand government act registered under UGC 2(f) 1956 and approved by the state government. It is also the recognize member of AIU (Association of Indian universities) and the best University as recognized by Indian students as well as students from abroad.

RKDF University in very less time after establishment has signed many MoUs with different company for Research , faculty and student exchange program. RKDF University is also actively participating in conservation of environment Seeing the present scenario RKDF University has launched tree ambulance on 22nd august, 2020 for the treatment of trees in areas around Ranchi which is highly appreciated.

Vision

To establish a University of excellence to impart Higher Education through Knowledge, Pioneering Scholarship, Research and Teaching.

I wish you all the best for your bright career and promising future portraying an icon of this university.

Prof. (Dr.) Shuchitangshu Chatterjee,
Ph.D in Physics from IIT Kharagpur, WB, India
Vice Chancellor, RKDF University, Ranchi

Registrar's Message

It is indeed an honor to be a part of RKDF University, Ranchi which have traversed a long distance in a short span of time by setting up new bench marks in the field of technical as well as professional education. Higher Education in general and technical education in particular holds greater promises for individuals as well to national economy. Besides it produces the sense of self-esteem and dignity. In the present era of globalization, quality has become a dominant factor of success in every sector of the economy and this includes quality in the provision of education. RKDF University with its vision of expanding the frontiers of knowledge and human base is committed to focusing trinity namely the academic excellence, eternal human values and social concern with a view to enabling the young minds to realize their fullest potential.

All of us at the RKDF University aim at preparing talented work force needed by the modern world. Our highly committed 82 dedicated faculties are conscious of the fact that they have to prepare the leaders for tomorrow's world and which is why they do ensure blending of both theory and practical. It hardly needs any mention that in such an academic ambience which the teachers have the responsibility to create the most inspiring teaching and learning environment, the students are obliged to make the most out of it.

Dr. Amit Kumar Pandey

M.Sc (Microbiology), Ph.D

Registrar, RKDF University Ranchi
